## Walking Out of a Storm with a Winning Attitude

Through our November sermon series, we thank God for teaching us how to cultivate the following winning attitudes: shaking off life's negativity, sinking in God's truth, sticking it out with God's family and serving one another relentlessly. Let's pray that our church will grow even stronger through the unexpected storms due to the pandemic.

Due to many obstacles faced during discipleship, we request that you will continue to pray for the newer ones in our church: (a) those in residential care (Debbie, Gan, Min, Niw, Non, Rachel and With [new addition]); and (b) those in private school and universities (Anthony, Bow, Johnny, Julius, Kaem,

Manow, Na and Tang). As we prepare for the Christmas season, we thank God for the active involvement of some younger ones in church decoration, caroling choir practices, and video recording of

Christmas greeting. To seize the opportunity for outreach and edification, we are organizing various activities during the month of December, including "Caroling at members' homes," and "Christmas outdoor celebration event." Please pray that everything will run smoothly (without unexpected Covid-19 restrictions), and the Lord will bless us with sustainable fruits in church unity and growth.

Finally, we thank God that we distributed by the Chiang Mai assistance of some of our and sent over 300 books in Singapore for our church library.

managed to get some books University library. With the members, we collected, packed diverse academic disciplines to We pray that God will continue to

use Thai Tabernacle Church as part of APIL's and TCM's extensive works for God.
